Carpentaria is a registered NDIS service provider

Carpentaria's Adult Allied Health Team includes professionals from a range of disciplines, including Occupational Therapy, Speech Therapy, Physiotherapy and Social Work.

The team focuses on positive behaviour support, communication requirements and social engagement, with tailored programs for each individual.

THE ADULT ALLIED HEALTH TEAM INCLUDES:

- Assessment, treatment and education in all areas of daily life, including equipment, modifications and recommendations to improve quality of life
- Assessment, diagnosis and interventions for people with complex speech, language and communication needs
- A focus on human wellbeing within a physical, social and cultural environment
- Assessment of alternate communication requirements to assist with daily routines

Carpentaria is a values-based and person-centred organisation which focuses on the needs and goals of individuals. We are committed to a philosophy that respects the rights of people with a disability to make informed choices about their lives and to receive the necessary support, information and encouragement to participate, and be included, in all aspects of community life.
