Carpentaria is a registered NDIS service provider

Carpentaria's Adult Day Service, Lifestyle Options, provides person-centred day service activities for adults with a disability, to enable them to participate in community life and develop abilities within a broad range of life experiences.

Lifestyle Options is friendly and accessible, where participants can learn, make friends and socialise. We support people aged over 17 and offer a range of centre-based and community activities.

LIFESTYLE OPTIONS:

- Provides meaningful and enjoyable participation in chosen recreational activities
- Develops new skills and abilities, leading to increased self esteem and employment opportunities
- Builds individual capacity to make choices and increase independence
- Promotes the philosophies of integration and meaningful social connections
- Encourages strong social networks and friendships

Carpentaria is a values-based and person-centred organisation which focuses on the needs and goals of individuals. We are committed to a philosophy that respects the rights of people with a disability to make informed choices about their lives and to receive the necessary support, information and encouragement to participate, and be included, in all aspects of community life.
