Carpentaria is a registered NDIS service provider

**Carpentaria Kids is a multi-disciplinary team of Allied Health therapists who provide developmental therapy in a trans-disciplinary context.**

Working in partnership with families, Carpentaria Kids provides comprehensive therapy and family support services utilising a relationship based approach. Sessions are tailored to the individual needs, preferences and developmental level of each child, using a play-based approach.

### **CARPENTARIA KIDS OFFERS:**

- Multi-disciplinary assessment including Speech Therapy, Physiotherapy, Occupational Therapy, Psychology and Social Work
- Support and comprehensive information on a child's disability or developmental delay
- Ongoing visits by the therapist to the family home, preschool, day care centre and other setting to implement the program
- Support, guidance and skills to help children with important transitions such as starting school

Carpentaria is a values-based and person-centred organisation which focuses on the needs and goals of individuals. We are committed to a philosophy that respects the rights of people with a disability to make informed choices about their lives and to receive the necessary support, information and encouragement to participate, and be included, in all aspects of community life.
