

carpentaria

respite/short term accommodation service

carpentaria.org.au

Carpentaria is a registered NDIS service provider

Carpentaria's Respite/Short Term Accommodation service is offered to families of children or adults with disabilities and high support needs through the Home Away From Home program.

The service provides short periods of time in a home setting with peers and support people, where participants enjoy activities such as swimming, horse riding, BBQs and picnics.

HOME AWAY FROM HOME PROVIDES:

- Regular opportunities for families to take time out from day to day care responsibilities
- A safe and nurturing home environment for people with disabilities, along with opportunities for social engagement and group activities
- Support for families to develop community networks, support systems, skills and routines
- Person-centred and family-centred support

Carpentaria is a values-based and person-centred organisation which focuses on the needs and goals of individuals. We are committed to a philosophy that respects the rights of people with a disability to make informed choices about their lives and to receive the necessary support, information and encouragement to participate, and be included, in all aspects of community life.
