# supported independent living

**Carpentaria's Supported Independent Living program provides full time person-centred support and accommodation to enable people with a disability to access and enjoy a safe, comfortable and fulfilling life in their home and in the community.**

Through a highly individualised approach, participants are supported to reach their own goals, make their own choices and maintain control over the way they wish to live their lives.

## **SUPPORTED INDEPENDENT LIVING FEATURES:**

- Person-centred active support which enables participants to enjoy the maximum quality of life
- Pro-active connection with community facilities, activities and events
- Hands-on support to develop each individual's potential in all aspects of daily living
- Highly qualified Specialist Disability Workers with comprehensive training in first aid, epilepsy, diabetes and medication administration and management

Carpentaria is a values-based and person-centred organisation which focuses on the needs and goals of individuals. We are committed to a philosophy that respects the rights of people with a disability to make informed choices about their lives and to receive the necessary support, information and encouragement to participate, and be included, in all aspects of community life.
